

Prevent unnecessary falls and injuries with our manual wheelchair fall intervention safety system. The Safe-T-Chair® prevents falls, frees up staff, and improves quality of life while saving money, time, and lives. Organizations using our revolutionary Safe-T-Chair® have praised the product for its effectiveness and ease of use. Once seeing our automatic brake system in action, they become believers! The Safe-T-Chair® utilizes our award winning Jerry Lock Brakes® System pre-mounted on a high quality Everest Jennings Vista IC wheelchair and is shipped to your location ready to use, ***No Assembly Required!***

Hello, my name is Jerry Ford and I would like to take a little of your time to tell you about Jerry Ford Company LLC. We are a full-service manufacturing company specializing in wheelchair safety devices and a leader among safety wheelchair suppliers. Our products, including the Safe-T-Chair®, have been sold throughout the United States, and into Canada.

Quality, service, and professionalism are our trademarks. Through hard work and dedication to our customers, we have continued to grow and have developed a reputation as a producer of the finest quality devices at the best prices available. Our philosophy has been to price our products at reasonable costs without sacrificing product quality.

We realize that you, like most whom we serve, may be unfamiliar with the benefits and details associated with the Safe-T-Chair®. That is why at we will take the necessary time to explain what options are available to you. We pride ourselves on being patient, kind, and respectful and promise – honesty throughout the sale, the highest quality guarantee available and unmatched craftsmanship.

There is no substitute for the Safe-T-Chair® and we would be proud to show you why. When you are ready to talk about your wheelchair purchase, please contact us. We would be glad to answer any questions you may have.
